Screening

The Oral Health Hub

Video-First Engagement

Dynamic, autoplaying thumbnails seamlessly blend clinical expertise with approachable Q&A.

Automated Ecosystem

Auto-syncs natively with twice-weekly Instagram and Facebook content to keep the site continuously fresh.

Algorithmic Advantage

Frequent, educational video content naturally boosts local SEO and AI-driven search visibility.

Redefining the Dental Experience

Step 1: Acknowledgment

Validating dental anxiety
without judgment.

Step 2: Environment

Showcasing the tranquil,
modern clinic design.

Step 3: Sedation Options

Clear, accessible
information on IV and
Oral Sedation protocols.

Step 4: Comfortable Recovery

Outlining the post-operative
care and follow-up
commitment.

Seamless Access Across the Lower Mainland

Centralized Hub

One digital front door for three distinct clinics.

Real-Time Sync

Direct API integration with Douglas Park, Infinity, and AARK clinical calendars.

Frictionless UX

Zero dead-ends; mobile-optimized architecture.

The Personal Brand Flywheel

Driving sustainable growth, absolute clinical authority, and premium case acceptance across the entire network.
